

# Prowling About

Our Redeemer Lutheran School

May 11, 2018

The Prowling About, the monthly calendar, and much more are on the ORLCS website ([ordallas.org](http://ordallas.org)).

I want to sincerely thank the school and church families for the lovely recognition of my years of service and my retirement last Sunday. The school choir and bell choir sang and played so beautifully and I cannot believe the many surprises that were part of that day. I loved them all and cannot believe my wonderful employees and co-workers were able to keep so many secrets from me! All of you are a wonderful blessing and I love each and every one of you.

That great celebration led into a wonderful *Teacher Appreciation Week*. All of the staff members loved the wonderful flowers and gifts that were shared this week. Many, many thanks to Kaye Surley and all of the parents that helped with the beautiful luncheon last Wednesday. It is always such a nice way to end the school year and we all appreciate the love that is shared.

Many thanks to all of the parents that drove, supervised, and cheered at the various Field Day activities today. This is always a super fun event for everyone and we appreciate your support.

I hope all of you are marking your calendars with the many events that are coming up. Kindergarten and PK parents, please watch for the sign up genius that was sent out for the luncheon to follow their musical. Hard to believe that is next Thursday! PK parents also need to mark their calendars for bike day next Tuesday. Please bring your child's bike or scooter to the sidewalk area outside the PK playground that morning.

I hope everyone has a great weekend. Don't forget the hats and sunscreen!

The Members of
