

Prowling About

Our Redeemer Lutheran School

October 6, 2017

The Prowling About, the monthly calendar, and much more are on the ORLCS website (ordallas.org).

We are ready! This Sunday's QFE Kickoff Ice Cream Social will be a great afternoon of food, fun, fellowship, and hopefully, lots and lots of pledges! Remember, unless I have heard from a parent, I am expecting your child to be there. All should wear their 2017-2018 spirit shirt, bring the appropriate props from home, and be ready to have a good time!

Seriously, though, this is truly our most important and largest fund raiser for ORLS. Your gift/pledge is very important to the operation of our school and we sincerely hope that every classroom will have 100% participation.

For those of you who do not have every important school date already on your calendar, be sure to note that there is **no school on October 16-17**. These two days are set aside for professional development for the teachers. The 1st-6th grade homeroom teachers, myself, and Pastor McGuire will be attending an educator/church worker conference in San Antonio, the PK thru Kindergarten teachers will be doing some observations in other schools, the aides and "special" teachers will be completing online classes for professional development. So, we hope you enjoy your days of no school as we take the time to educate ourselves to better serve your families.

Looking forward to seeing you on Sunday!
